TEACHER'S HELPS

WHO IS JESUS?

The materials for this course make it possible to use it in 3 ways:

- A group of students (5 to 12 years old) using both worksheets;
- A group of younger students (5 to 8) using the easy worksheets;
- A group of older students (9 to 12) using only the more difficult worksheet or both.

Included in this packet of 26 lessons are:

- Outline of the course.
- Teacher's helps.
- Master copies of large letters to make banner titles.
- Master copy of materials to make verse booklets on 2 levels.
- A completed chart, *Who is Jesus?* to use as a pattern for the project.
- A blank chart for the older students to complete.
- Page of words for students to complete blank chart. (Each older student needs both the blank chart and page of words to complete it.)
- Student worksheets on two levels for each lesson.
- A cover for the worksheets of each Part.

All scriptures are taken from the New King James Version

PART 1 JESUS IS THE SON OF GOD, THE CHRIST

Lesson 1

Theme: Jesus proved it by His wisdom -- Woman at the well -- John 4:1-42

Application

We believe that Jesus is the Christ, the Son of God, because He knows all things and uses His knowledge wisely.

Study helps

"Christ" is the Greek form, "Messiah" is the Hebrew, "the anointed one" is the English--all translations of the same word. John 4:25; 1:41. Anoint means to pour something over a person to set him aside for a special job or to give him a special power. In the Bible people were anointed with oil and the Holy Spirit. The special kinds of people who were anointed with oil in the Old Testament were: prophet 1 Kings 19:16; priest--Exodus 30:30; king--1 Samuel 10:1,21-24. Jesus was anointed with the Holy Spirit Acts 4:25-27; 10:38.

The Jews for centuries had been waiting for God's Messiah to come to save them from their enemies and to set up His kingdom. They did not understand that the Messiah was coming to set up a spiritual kingdom. Nor did they understand that He was coming to die for the sins of the world.

In each of the lessons be sure to call attention to who the people in the story think Jesus is--Christ, Messiah, Son of God.

Visual aids

Make the large letter banner title, *Jesus is the Son of God, the Christ*. See the Page of instructions for making the banner titles. This is the coloring project for the younger students. Call attention to it; read it each lesson; have the class repeat it.

Chart--Make a large copy of the project chart to fill in during the appropriate classes. If you make the words detachable they can be removed and replaced during review.

Memory verse

Younger--Each lesson worksheet has a shortened version of the memory verse.

Older--Each worksheet will have a verse maze. With a pencil the student draws a continuous line from the first word of the verse to the second, to the third, etc. until he gets to the reference. Then he copies the verse in the correct order and memorizes it. The verse for Lesson 1 is John 4:25,26.

Verse booklets for Part 1--There are separate booklets for the younger and older students. To assemble before class: Cut on the lines. Staple the small pages in order with the cover on the front and the blank page at the end. The blank page can be used at a lesson later in Part 1--students who learn verses quickly can copy a verse chosen by the teacher from verses in the Bible drills to learn for extra commendation. Distribute the booklets at the end of class for the students to take home to study both after the lesson and ahead of the next lesson.

Worksheet

All students paste the symbol in 3 languages (Greek [Christ], Hebrew [Messiah], Christ [English]) for Lesson 1 on a top corner of the worksheet or other suitable space. See *Study Helps* page 1 about the languages.

Younger--a dot to dot picture of a well.

Older--the main exercise is a list of 6 words from the story which each student is to use to write questions about the story on his worksheet. When all have finished making their questions they can take turns asking them of other students.

Bible drill

A list of scriptures is provided with each lesson on the subject of that lesson. Use them as a short Bible drill, reading carefully the verses when found and noting how it repeats the theme and application of the lesson.

John 4:25,26 (memory verse)	Luke 2:52	John 21:17
Luke 2:40	John 6:64	Mark 14:61,62
John 2:25	John 16:30	

Project

Younger--Have the younger students color the large letters of the banner title for Part 1 (see visual aids). Teach them to read these important words.

Older--The project for this course is a chart/poster to show who Jesus is. A completed pattern is included on a separate page. The incomplete chart to be photo copied for each student is on another page. Each lesson will tell what should be filled in for that lesson. Each student cuts out the words and symbols for that lesson and pastes them in the correct spaces. The spaces have the numbers of the lessons. The use of colored outlines around the words would make the chart even more attractive.

Words for Lesson 1: The Christ and symbol in 3 languages plus anointed.

In connection with the chart and at any other time during the class sessions ask the question: Where does it say in the Bible that Jesus is _____? This is a way of reviewing the memory verses and any other verses that were used in the Bible drill or the story.

Lesson 2

Theme: Jesus proved it by healing the sick -- Man born blind -- John 9

Application

We believe that Jesus is the Christ, the Son of God, because He had power on earth to heal any and all kinds of diseases and deformities.

Study helps

Be prepared to compare Jesus' healings with present-day so-called healers.

JESUS

Healed all he tried to heal.

Healed all kinds of diseases
and deformities.

Raised the dead.
Immediate healing.

Complete healing.

Healed in all kinds of places--
wherever He was.

Did not demand faith of person
to be healed.

TODAY

Really heal very few and make
excuses for failures.

Claim all kinds except deformities.
Teach people to say healed even
though still sick, blind, deaf, etc.

Never attempt.

Claim immediate of sicknesses that
no one can see. Claim gradual
healing of others. (This is no
different from what doctors do)

Teach people to say healed even
though not well.

Only attempt healing in set, pre-
announced places.

Say sick must have faith to be
healed; failure?--say sick person
lacked faith.

Memory verse

Verse maize--see Lesson 1. Verse for Lesson 2 is John 9:35-37.

Remind students to study the verses at home from their verse booklets.

Study helps

Death happens when the spirit leaves the body. James 2:26.

Resurrection is when the spirit returns to the body. Luke 8:55.

Our body is just the "house" where we are living in this world. 2 Cor. 5:1.

Refer to *Study helps* Lesson 1. Talk about the fact that one of the works of God's Anointed one was to be a prophet. Review the meaning of anointed. John the Baptist asked Jesus if He was the Coming One, meaning the Christ.

Memory verse

Verse maize--Luke 7:16.

Worksheet

All students paste the symbol in 3 languages plus Coming One for Lesson 3.

Younger--Color and cut out the figures for Lesson 3 (Pages of extra things). Fasten the upper part of the man to the worksheet by using the open end of a paper clip. From the back of the page, use the clip to puncture the work sheet at the dot and then through the dot on the figure. The figure will then lie in the casket or sit up. Paste a small piece of paper over the clip on the back of the page so it will stay flat. Next paste the front of the casket (on the edges only) where it says paste on the worksheet.

Project

Older--Word for Lesson 3: prophet

Lesson 4

Theme: Jesus proved it by fulfilling prophecy

Preaching in Nazareth -- Luke 4:14-30

Application

We believe that Jesus is the Christ, the Son of God, because He did exactly what the prophecies, written hundreds of years before He came to earth, said the Messiah would do.

Study helps

Fulfilled means that something is done the way it was said it should and would be done.

Refer to Study helps Lesson 1. Talk about the fact that one of the works of God's Anointed one was to be priest and king. Review anointed.

Punch out the circles with a ballpoint pen or other similar sharp round object. Make the holes large enough for the yarn to pass through easily. For each student, prepare 2 pieces of yarn 36 inches long. Tie a knot at one end (Make it large enough so it will not pass through the holes). Wrap the other end tightly with scotch tape to make a "needle".

Younger students--outline the stone and the tomb by "sewing" with the yarn.

Theme: Jesus was to be the Savior according to God's plan --

An angel talks to Joseph -- Matthew 1:18-25

An angel announces Jesus' birth--Luke 2:8-17

Application

We believe Jesus is the Savior because it was God's plan for Him to be Savior.

Study helps

Background--Luke 1:26-38; 2:11--message to Mary and the shepherds.

Explain:

Savior--one who saves someone from danger, injury, death. Jesus saves us from the eternal punishment of the second death because of sin. The name Jesus means Savior.

Older--Words for chart Lesson 8: *The Savior*

Lesson 9

Theme: Jesus is called the Lamb of God -- John the Baptist -- John 1:19-41

Application

We believe Jesus is the Savior because John the Baptist, who came to prepare the people for His coming, called Him the Lamb of God.

Study helps

Exodus chapters 11 & 12, & 29:38-41 give the background of lamb sacrifice. In the Old Testament a sacrifice was to kill and burn an animal as worship to God. When Jesus died on the cross, His blood was spilled like the lambs of the Old Testament. Both were for the forgiveness of sin, however we don't sacrifice lambs now because Jesus was our lamb who had to die only once.

Call attention to Jesus being called not only the Lamb of God but also Messiah and Christ (v.41) in this story.

Memory verse

Study helps

Background--Matthew 26:36--27:10.

Jesus is called the lamb, the good shepherd, the High Priest. He is everything we need. Explain that Jesus is our high priest (Hebrews 9:11,12) which is another part of being Christ (see Study helps Lesson 1, three kinds of people anointed). He offered himself as a sacrifice. He was both the priest and the lamb that was sacrificed. (See Lesson 9 Study helps)

Other ideas in Lesson 7.

PART 3 -- JESUS IS MASTER TEACHER AND LORD

Lesson 14

Theme: Jesus taught that He was the Teacher and the Lord

Washes disciples' feet -- John 13:1-17

Application

We believe in Jesus because He was the Teacher and Lord who taught the truth by word and by example.

Study helps

Make special note that the disciples were calling Jesus, "Teacher and Lord". He did not refuse this but said they were right--verse 13. This goes with His teaching of Matthew 23:10. He is the head teacher, the master teacher. He is the Guide, commander and instructor. Lord means one who is in charge, one who is Master above others who are his servants (v.16), one who has great authority and power.

Many people have become confused by this story, thinking that Jesus is teaching that we are supposed to wash each others feet as a ceremony in the church. However, what Jesus means when He says, "I have set you an example," (verse 15) is that we are to serve one another in whatever someone has need. In that day the people wore open sandals as they walked the dusty unpaved roads, streets and paths. When someone arrived at your house, the custom of courtesy was to provide that their feet were washed. If Jesus, the Master Teacher and Lord could get down and do a humble service for others by washing their dirty feet, we should certainly not think we are too good to be willing to serve others.

In every lesson call attention to who people say Jesus is. Are they right?

Visual aids

Large letter banner title--Jesus is Master Teacher and the Lord.

Project--continue to fill in the chart Who is Jesus?.

Memory verse

Older--Each week have the students read the true statement about Jesus above the puzzle. Then with a dark crayon they are to blot out the words of this sentence in their puzzle. The words that are left make the memory verse for this lesson--John 13:13.

Assemble and distribute the verse booklets for Part 3.

Worksheet

All--symbols: scroll, Teacher and Lord (Master).

Younger--Cut pieces of terry cloth or some other similar kind for the students to paste on the towel in the picture.

Luke 6:5	Philippians 2:11	John 13:6
Revelation 17:14		

Project

Teacher--prepare banner title--Jesus is the Master Teacher and the Lord

Younger--Color the large letters of the title for Part 3.

Older--Words to paste on chart: The Lord, The Teacher and Master.

Lesson 15

Theme: Jesus taught with wisdom and authority

Sermon on the Mount -- Matthew 5,6,7

Application

We believe in Jesus because He taught with such wisdom and authority that the people were amazed.

Study helpsExplain:

wisdom--the ability to understand, to use common sense, to explain and to put into practice important teachings.

authority--the right to command and demand obedience. Examples of people with authority in our every day life: parents, school teachers, police, etc.

Do not try to teach the entire Sermon on the Mount. Study carefully the worksheets to know what sections from the Sermon on the Mount to include in the lesson: 5:14-16; 5:38-48; 6:5-15; 6:25-34; 7:24-29. Do not have a long detailed study of each part but try to give the class a sense of the knowledge and wisdom of Jesus.

Matthew 22:22	Mark 6:2	Luke 4:36
Mark 11:18	Luke 4:32	

Lesson 16

Theme: Jesus proved His teaching was true --

The paralyzed man -- Luke 5:17-26

Application

We believe in Jesus because He proved that His teachings were true by doing miracles.

Study helps

Review the meaning of authority see *Study helps* Lesson 15.

Explain:

The word Rabbi is an official title of honor given to a teacher among the Jews. Jesus said not to use this term except in referring to him--Matthew 23:8. Jesus is the honored One, the Master Teacher.

Jesus often called himself "the Son of Man" (as in this story) which he was in part because He was born into the world by Mary. But His Father was through the Holy Spirit so He was also called the Son of God. His birth was a miracle which made him both the Son of man and the Son of God. He was the perfect man, but because He was partly man and living in a human body He understood what it was like to be a person on earth. He shared life with other people, being hungry, thirsty, and tired from work and travel. He felt human emotions of love, sorrow, joy and righteous anger. He was tempted, loved, hated, misunderstood and plotted against. But always remember that He never sinned and that He was more than just a good man. He is the only one who could ever say that He was "the Son of God."

Memory verse

John 3:2

Worksheet

All: Symbols--scroll Teacher

Younger: After coloring and cutting out the figure of the paralyzed man

(Pages of extra things), you can attach him to the picture using a clip. Perforate the worksheet from the back with the clip at the dot and then perforate the figure at the dot. Lesson 17

Theme: Jesus' teaching and authority were from God --

Teaching in the temple -- John 5:2-18 and 7:14-32, 37-46

Application

We believe in Jesus because He said His teaching was from God and we know He spoke the truth by the miracles He did.

Study helps

Start with the story of healing the man by the pool because this most likely is the miracle Jesus is referring to in 7:21 and which prompted the further attacks on Jesus. (Jesus did not break the Sabbath according to God's law as the Jews accused Him. They had added many things to God's law and made them even more important than what God had said.) The parts of chapter 7 are chosen are the ones most easily used to explain to children. Don't use a detailed account of the conversation but rather the highlights of Jesus' claims. Notice the different attitudes of different people to Jesus' teaching.

Lesson 21

Theme: Jesus refused to be an earthly king

Feeding 5,000 -- John 6:1-15, 26, 63

Application

We believe that Jesus is the King of a spiritual kingdom, not an earthly one.

Study helps

The Jews knew that the Old Testament said a king was coming from King David's family (Zechariah 9:9; Psalm 2:6; Psalm 89:3,4) but they misunderstood. They thought he would set up King David's kingdom again with Jerusalem as the capital. Even many religious people today are still looking for Jesus to come and reign on the earth but Jesus' kingdom was a spiritual one. John 6:14,15

This lesson overlaps with a lesson in the course *What Kind of Book is the Bible?* This time put the emphasis on the people wanting to make Jesus an earthly king because of His miracle. They were thinking of having a king who could give them food or anything else material. They missed the reason for the miracle. All of Jesus' miracles proved that He was the Messiah, the Son of God.

Lesson 24Theme: Jesus the King has a Kingdom -- Pentecost -- Acts 2Application

We believe that Jesus the King has a never-ending Kingdom, made up of the Christians.

Study helps

The background of Acts 2 is Matthew 16:13-28 where Jesus speaks of giving the keys of the kingdom to Peter (We studied this in Lesson 11). The emphasis of this lesson is on the fulfillment of that promise and that the Kingdom is the Church. The Kingdom is not an earthly kingdom (country) but a spiritual one in the hearts of people (John 18:36,37). Neither is the Kingdom or Church a building. It is made of people called Christians with Jesus as the King. The apostles did not understand this (Acts 1:6) until after Jesus had gone back to heaven and the Holy Spirit came on them.

Jesus is greater than any earthly king. He is King of Kings and Lord of Lords (Revelation 17:14; 19:16). He will reign forever because there is no end to His kingdom (Daniel 2:44; Luke 1:33; 2 Peter 1:11; Revelation 11:15).
