From woman to woman:

THINGS WOMEN CAN DO IN THE CHURCH

General notes:

We are a part of the church 24 hours of the day.
There is something for everyone to do in the name of
Christ.

You can work:

individually,
as a team, or
as a group.

Sometimes a change in your life can help you to reevaluate
what you can do.

Look for new ways to work because of:

health changes,
a new baby,
children growing up,
being widowed,
children leaving home,
a move to a new neighborhood or town.

Use service as an opportunity to speak for Christ, giving
Him the glory.

WATCH OUT! There's so much to do there's a danger of
neglecting first priorities.

This list is not complete. Keep adding and sharing ideas.
Many of the ideas can be included under more than one
category.
